Sawadee Krap! Sawadee Kaa!

Welcome

to AROI THAI Restaurant !

„AROI“ means

„tasty“ or „delicious“

SATAE GAI – SPRING ROLLS – FISH CAKES

All depending on the spice ...

In Thailand!, we use a lot of chilies and when you order it “Thai spicy” in our restaurant we guarantee you that it will be really spicy. So please be careful and slowly work your way up from “western spicy” to “medium” and then maybe – if you feel strong enough – even to “Thai spicy”.

And if you don't like it hot, just tell your waiter or waitress that you would like to have it less or not spicy.
